

Reflective Supervision 2.0

Take your supervisory skills to the next level with **Reflective Supervision 2.0** - an intensive learning community for home visiting supervisors!

Are you looking for a new approach to providing supervision? Do you want more effective strategies for supporting your home visitors? Through a combination of in-person training and phone support, this 22-month learning community will grow your reflective supervision skills and deepen your knowledge of infant mental health principles. Facilitated by Joan Shirilla, LMSW, IMH-E© (IV), a nationally recognized leader in the field of infant mental health and reflective supervision, this is a one-of-a-kind training opportunity for early childhood home visiting Supervisors.

* What to Expect *

What: 8 in-person training days + 14 phone sessions

When: 2-day kick-off: September 26 & 27, 2019

Remaining in-person trainings will be held quarterly over the next 20 months.

Cost: \$200 (can be split into two payments)
